B a n g a l o r e.

Sir,

With reference to your letter No. D. 1268/J.S.6-31-2 dated 25th/28th August 1931 forwarding the Memorandum and Articles of Association of the Davangere Piece Goods Merchants' Association together with a copy of letter dated 12th August 1931 received from the Honorary Secretary of the said Association requesting that a license may be granted under Section 26 of the Mysore Companies Regulation, I have the honour to state that as required by paragraph I of Notification No. D. 8586-J.S./22-26-6 dated 15th February 1928 a copy of the prooceedings of the last general meeting of the Association was among others called for On its receipt it is found that the Association seems to have resolved to carry on active propoganda to prevent the import of goods of foreign mills and mills boycotted by the Congress in British India and Indian States and dealings of all kinds with such mills with the assistance of the Congress organization by entering into a sort of agreement with the Congress Officials. It should not be surprising if in the course of their activities and their zeal for Swadeshi &c., forcible methods of persuasion and aggressive picketing should be adopted to bring other firms and businessmen into line with the Association. In these circumstances, I am of opinion that it does not appear to be desirable to grant license to the Association, to import British Indian Politics into the State.

2. I therefore request to be favoured with instructions of Government as to whether I may return the Memorandum and Articles of Association to the Honorary Secretary.

3. The copy of the proceedings referred to above is herein enclosed for reference and kind return.

I have the honour to be,
S i r,
Your most obedient servant,

D. Sreenivasa Iyengar

In such cases the Reg of J.S. Companies should exercise his discretion and leave the aggrieved party to assert his rights in the proper way. It does not seem proper to issue orders

RKS to Govt. in the matter.
